My sister Jane spends the day painting pictures of the trees. Her pictures are always beautiful. As she paints, she listens to music. Sometimes, I can hear her singing when she is painting. I spend my time running outside or reading in the bedroom. I like to read books about people dancing or swimming. My mom spends most of her time sleeping, watching TV, or cooking dinner in the kitchen. When dinner is ready, she calls us. We run to the dining room so we can eat her good food. My dad eats the most food.
