I'm drawing a picture of myself for art class. First, I draw a round head. Then, I put long brown hair on my head. I draw two blue eyes. Under my eyes, I draw my nose. I make a big smile for my mouth. For my body, I draw two short arms, and two short legs. I make two feet on the legs and put ten toes on each one. I draw two hands on the arms. I don't know how to draw a knee, so I don't put it on my legs. My teacher says my portrait looks just like me.
